## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: September 2014 -Rev. 9/23/2014- Void After: September 2015

Product: Solvent Cement for ABS Plastic Pipe and Fittings File No. 0896

Issued To: Oatey Company  
4700 W 160th St  
Cleveland, OH 44135-2632

Identification: Labels are to contain the manufacturer's or supplier's name or trademark, ASTM D 2235, function of the material, procedure or instructions for application and use of the cement, all required warnings and cautions (Federal Hazardous Substance Act and OSHA Hazard Communication Standard, Labels, and Other Forms of Warning) and the UPC® certification mark.

Characteristics: Solvent cements are intended for use with IAPMO listed ABS pipe and fittings. These products shall be used in accordance with the manufacturer's instructions, technical bulletins and labels and the requirements of the latest editions of applicable IAPMO Installation Standards and the Uniform Plumbing Code.

NOTE: In listing these products, IAPMO does not specify safety standards, and is not responsible for the safety advice or first aid instructions contained on the product label.

Products listed on this certificate have been tested by an IAPMO R&T

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.
